Dear Sponsor,

Athletics play an important role in today's youth. Women's lacrosse is a fast growing and intense sport which requires strength, endurance, strategy, and teamwork. The benefits that girls receive from playing lacrosse include a healthy mind and body, increase in confidence, a sense of belonging, and the value of discipline, just to name a few.

**Coastal Rays Lacrosse is a 501(c) (3) nonprofit organization.** The mission of Coastal Rays Lacrosse is to provide a safe and fun environment for all players, coaches, and families to learn and develop girl's lacrosse. There are many costs to running a lacrosse program . Field rental, uniforms, practice jerseys, sticks, protective eyewear, shoes, mouthguards, travel and lodging for tournaments, officials fees, and coaches, who are usually last on the list because they will do without, if needed, to be sure other expenses are covered.

That's where you come in. We need your help! Families help out as much as they can by trying to at least provide the basic individual equipment for their daughter(s). Sometimes a family's top priority is covering their own living expenses in lieu of the team's. With sponsorships, we can lower the costs for each girl to play so that no girl is left out who desires to learn and play the exciting sport of Lacrosse. You will not regret the choice to make a difference in a girl's life!

Attached, you will find our sponsorship levels which help us provide a quality Travel Lacrosse program for these girls during our summer and fall seasons.
